

Year 2 Remote Learning for Self Isolation

- Every day you need to complete 4 hours' worth of learning at home, this is the time to show us your integrity!
- There are 3 hours of core learning provided every day for Reading, Writing and Maths. You should choose at least one other activity from the other subjects every day.
- Complete your work in your Remote Learning Book, your teacher will be ringing to discuss to your work and will ask you to read out your work - remember to complete your work to the amazing standard that you do at school.
- Spelling Shed and TTRockstars should be being used daily.
- With the Science, Humanities and Art we have set you challenges that you can do at home, either on your own or with your family.

We would love to see your work; please share it through the Y2 email account: Year2@dixonsmn.com or through the Y2 Twitter account @DMN_Y2
