Dear Parents

Taster session for parental support

Dixons Manningham are hosting a free taster session run by The Kitchen Table Teacher on Thursday 22 September at 9am in the Community Room. This organisation provide support and advice to parents from Reception to Year 6.

- Know what reading; writing and maths look like for their age groups
- How to support your child's learning at home.
- Develop your child's talking and reasoning skills

The taster session will provide vital information to parents on how to better support your children, and give you the opportunity to ask those all important questions around their education.

We look forward to seeing you on Thursday. Refreshments will be provided.

Kind regards,
