Dear Families

Re: Queen's Jubilee

At Dixons Manningham we encourage our pupils to celebrate cultural events that take place across the country. On the 2nd June Queen Elizabeth II will be celebrating her Platinum Jubilee which is 70 years as queen.

On **Friday 27th May** we will be holding a whole school event to celebrate the Queen's Jubilee.

On the day your child will be taking part in lots of exciting events, including an outdoor scavenger hunt and an art activity during the afternoon.

Friday is non-uniform and we ask that students wear red, white and blue. We will be spending quite a bit of time outside so please make sure they will be warm and dry, whatever the weather, and have sensible shoes on.

Lunch will be provided for children as usual and the menu will be a traditional afternoon tea. If your child has a packed lunch, you could consider including:

- Fancy sandwiches like tuna and cucumber, or cream cheese
- Cheese and onion rolls or other small 'picnic' foods
- Fresh fruit like strawberries, raspberries and blueberries

If you have any questions or would like further information, please ask.

Kind Regards

Miss R Bonner
