Dear Parents

Re: End of Term 5

Term 5 finishes this Friday at 3.25pm, and we will be ending the term with a Platinum Jubilee day in honour of the Queen's 70 years of service.

Students have been asked to come in wearing red, white and blue, or any combination of the colours instead of non-uniform and we will not be asking for any voluntary contributions. During the day classes will be involved in activities to deepen their understanding of the monarchy and will be having a traditional afternoon tea for lunch.

Term 6 will start on Monday 6th June. Whilst Y2 and Y6 have both completed their statutory tests this term, Y1 and Y4 will be sitting their statutory tests at the beginning of this term. Y1 will be completing the phonics check, and Y4 will be carrying out the new multiplication test.

Over this term we have been carrying out various **questionnaires** with parents and students. The responses have been fantastic; they capture what is working well and areas that we could improve further on. Please see the reverse for the data.

MCAS – My Child At School

After the half term holidays we will be using the app MCAS for our communications, we will also be starting to use MCAS for payments for school meals, starting 1st July. If you have not already managed to download the app and register, then please try to do this over the holidays so that it is in place for when we return. If you need support in downloading and registering the app, please do ask the Office staff they are more than happy to do this with you.

We will send out our first letter through MCAS on Monday 6th June, if you do not receive, a copy please let us know.

The weather forecast for the holidays is looking good, so I hope you all have a sunshine filled week of family fun!

Kind regards

Terri Leighton
Principal

Whole School Parent Survey April 2022

	Agree or +	Disagrees or -
My child enjoys school	99%	1%
The school keeps my child safe	100%	0%
