Dear Families

Re: Year 3 Early Bird Maths Intervention

At Dixons Manningham we are committed to supporting every student to achieve well.

We are writing to invite your child _____ to attend before school Maths sessions with Mrs Khan, starting on Monday 15th November 2021.

The aim of the sessions will be to provide additional support in Maths for your child so that they are able to use their knowledge of number bonds and patterns to help them with their classroom based learning.

Your child will be expected to attend every session.

The sessions will run **every Monday, Tuesday and Wednesday for 5 weeks from Monday 15th November to Monday 13 December, from 8.00 – 8.45am**. Your child will be provided with a breakfast of their choice from the Breakfast Club to eat during the session.

If you would like to discuss this with Mrs Khan or myself, please contact us at school.

With kind regards

Kate Hussain
Vice Principal
